# Hygiene Super Hero

- 1) Title / Super Hero Name
- 2) Drawing of Super Hero
- 3) Problem / Need for the product
  - consequences of not using the product (ill effects/diseases)
  - you can create an arch nemesis (bad guy)
- 4) Definition of the product
  - solution or advantage of using the product
- 5) Identify teenage use (frequency)
- 6) Trial + Review and/or comparison between 2 or more brands
  - Survey the class (use tally marks)
  - Best smell, longest lasting, best tasting, etc...
  - Use a percent, or ratio to communicate your results
  - Example: 75% of Grade 6 Students Use Crest
  - Example #2: Old Spice outlasts its competition 5:2

## **BE AWARE!!!**

You are not allowed to start creating your good copy until you have a **QUALITY** rough copy of the drawings + edited details for each requirement above.

You will need to do some research (which we will do in the lab). Make sure you reference every source that you use (book, newspaper, magazine, website, etc...). We will learn how to cite sources together...don't panic...

**\*\*\*Video Option:** Make a Hygiene PSA or advertisement!
